In the matter of the application for the enrollment of
[REDACTED] as a citizen of the Cherokee Nation.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of [REDACTED] as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said [REDACTED] is identified on the Cherokee authenticated roll of [REDACTED] as [REDACTED] a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of
-----Duncan on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of -----Duncan as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, **Emmet Starr** appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of **White Man French** as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **White Man French** is identified on the Cherokee **authenticated roll of 1880** as **a Cherokee by blood.**

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. On July 31, 1906, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1906, would be dismissed. No information has been obtained tending to show the status of White Man French on September 1, 1906.

IT IS THEREFORE ORDERED: That the application for the enrollment of White Man French as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Alie Beamer (Cherokee 1-8948) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 341), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed in said roll by the Commission to the Five Civilized Tribes".

Akie Bommer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
John Henson as a citizen of the Cherokee Nation.

---:---
O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Janet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of John Henson as a citizen of the Cherokee Nation.

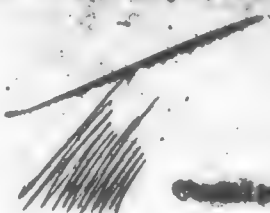

THE EVIDENCE IN THIS CASE SHOWS: That said John Henson is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the removal of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. Information has been obtained leading to the status of John Henson on September 1, 1905.

It is recommended that the application for the removal of John Henson be a citizen of the Cherokee Nation, and the same be, hereby dismissed, without prejudice.

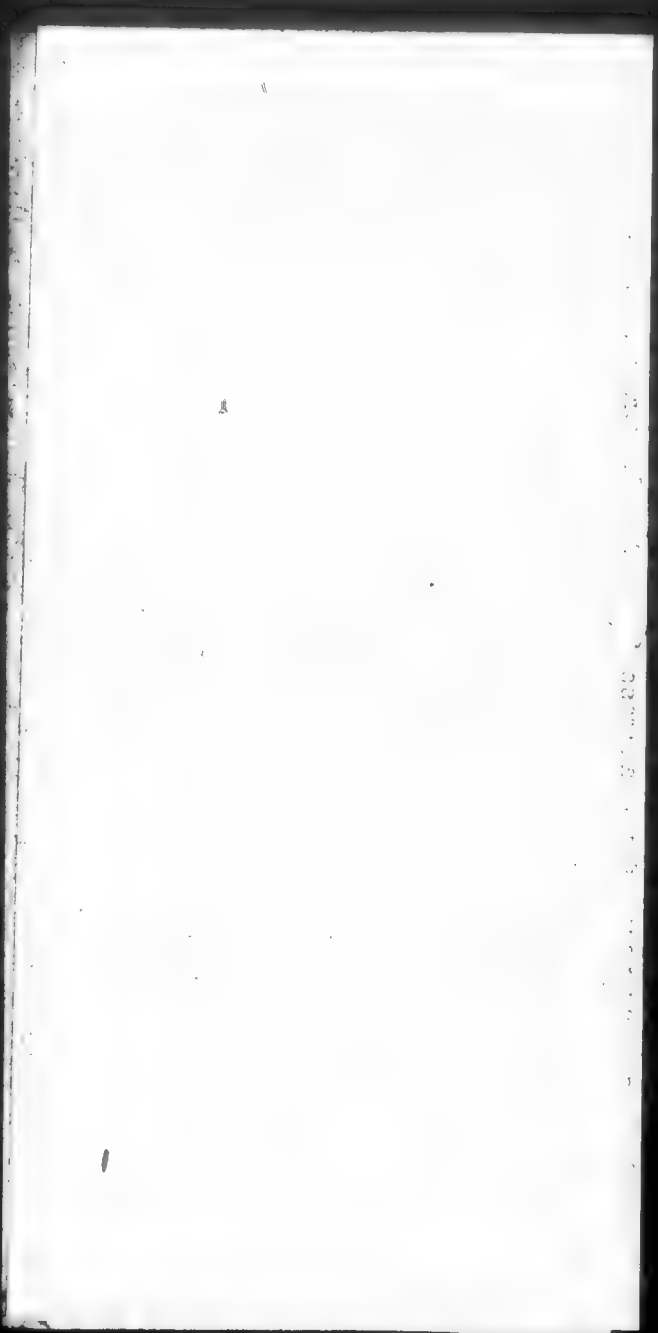

Commissioner.

BY MR. HASTINGS:

- Q I see among the testimony here a statement from Columbus Linn, was he a brother of this William Linn? A Yes sir.
Q Is Columbus Linn married? A He has been, he is a single man now.
Q Did William Linn ever live around him? A Yes sir.

- Q Do you know Thomas P. Shaw? A Yes sir.
- Q Is he a half brother of ~~James~~ this William Linn? A Yes sir.
- Q On October 4, 1902, Thomas P. Shaw testified that he hadn't seen this William Linn for as much as two years now, was Thomas Shaw living the same community with this man should have lived in?
- A No sir, Tom didn't live exactly where this boy stayed, about 6 miles apart.
- Q Shaw gave his post office as Manard and this same Tom Shaw claimed at that time that he didn't know the ~~James~~ present whereabouts of William Linn, his half brother, now can you account for that testimony of Shaw and do you know where William Linn was, say in 1902? A I saw him at Cookson at a picnic, in 1902 before I went to Iowa.
- Q This question was asked Thomas P. Shaw, "Do you know his present whereabouts? A No sir." "How long since you have seen William Linn? A It has been a little over two years since I saw him." You think there is no question but what he was living in the Cherokee nation at that time? A No sir.
- Q Never did live out of it? A No sir.
- Q Then you think that Shaw didn't intend to say he was outside of the Cherokee Nation but that he didn't see him? A That is the way I take his answer, that he didn't see him at that time, he was on the scout then for whiskey.
- Q He was on the scout subsequent to the time he was turned out of the Cherokee National prison? A Yes sir, went out and they caught him with a lot of whiskey.
- Q When? A Along I think it was in '99, they caught him close to Cookson.
- Q Was he tried for it? A No sir, he got away.
- Q Then he scouted did he? A Yes sir.
- Q Was he ever captured and tried for it? A No sir.
- Q And you think he continued to scout around over the country after 1899? A Yes sir.
- Q Do you think that is the reason Thomas Shaw, his half brother, didn't know his whereabouts? A No sir.
- Q Do you know anything about his marrying Gracie Owen? A He married some woman, went by the name of Extine.
- Q Do you know where he married her? A I don't think he married her, just taken up with her.
- Q Where did he take up with her? A Down on the river close to Cookson.
- Q Did you see this William Linn from time to time and know of his whereabouts? A I seen him several times when I dropped down in the Cookson neighborhood.
- Q You always heard of him down there in that country? A Yes sir.
- Q And you are positive that he was never out of that country for any length of time? A Yes sir.
- Q Now you have given a death certificate here that he died in July, 1904, what do you know about his death? A Just from what a boy over here at Fort Gibson, went out there in Oklahoma with him and come back to Fort Gibson and told that he was killed in a gambling house.
- Q Then you heard he died in Oklahoma? A Yes sir.
- Q When was the last time you ever saw him in the Cherokee Nation yourself? A It was at a picnic at Cookson in July, 1902.
- Q Then you never saw him after July, 1902? A No sir, he went away then.
- Q This death affidavit is made from information that you received?
- A Yes sir.

- Q Who was it gave you that information? A I don't remember the boys name, he was a gambler around Fort Gibson.
- Q He told you he was killed in a gambling house in Oklahoma, I think? A Yes sir.
- Q And that was in 1904? A Yes sir.

ON BEHALF OF THE COMMISSIONER:

- You testified at the first of your testimony that he was living about 12 miles south of Tahlequah when he died, did you mean that he died there? A No sir, I don't mean that he died there that he had been making that part of the country his home until he went to Oklahoma City.
- Q And did you ever see him after the time you saw him at Cookson in July, 1902? A No sir, never saw him.
- Q Do you know why he never applied for enrollment? A Because he was on the scout for that whiskey.
- Q Afraid of being apprehended? A Yes sir.
- Q Was he always recognized as a Cherokee citizen? A Yes sir.
- Q Do you know whether he drew strip money? A I suppose he did.

W I T N E S S E X C U S E D.

ROBERT B. BEAN, being first duly sworn, testified as follows: :

ON BEHALF OF THE COMMISSIONER:

- Q What is your name? A Robert B. Bean.
- Q How old are you? A 32.
- Q What is your post office? A Tahlequah.
- Q Are you a Cherokee by blood? A Yes sir.
- Q Are you a brother of Mark A. Bean? A Yes sir.
- Q He has just testified in this case, in the case of William Linn? A Yes sir.
- Q William Linn was a cousin of yours, was he? A Yes sir.
- Q When was the last time you ever saw him? A I couldn't hardly recall the last time that I did see him, because I married and left from around Tahlequah and went to Saline District and lived there awhile and then I lived further away from Tahlequah and wasn't about there much.
- Q Can you recall the last time you saw him? A The last time I remember of seeing him was in Tahlequah.
- Q When was that? A Been 7 or 8 years ago since I saw him I think.
- Q Do you know anything about whether he ever lived outside of the Cherokee Nation? A Not that I know of.
- Q He was a Cherokee was he? A Yes sir.
- Q Was he recognized as a citizen? A Yes sir, he went to the Cherokee Schools, I went to school with him.
- Q Do you know when he died? A No sir, I don't.

BY MR. HASTINGS:

- Q Do you know from information when he left the Cherokee Nation? A No sir, if I did, I have forgotten it.
- Q But you haven't seen him for 7 or 8 years? A No sir, I haven't seen him, he was on the scout. His folks lived down close to Braggs and he was on the scout, and I never seen him for several years.
- Q Had he been convicted of larceny and served a term in the Cherokee penitentiary? A Yes sir.
- Q Pardoned out when the Tribal Courts were abolished? A I don't know whether he was pardoned or whether he served his time out? I think he was sentenced for 18 months.

- Q What I would like to inquire of you is, now his residence subsequent to that time that you saw him after he was pardoned out?
- A Yes sir, I think I saw him there in Tahlequah after he was pardoned out.
- Q And that was 7 or 8 ~~months~~ ^{years} ago? A If it has been that long since he was pardoned out.
- Q They were all pardoned out in 1898 and that has been 7 years ago? A It was some time after they were all pardoned out.
- Q You don't know whether he had served his term out or whether he was pardoned out do you? A No sir, I don't know for sure.
- Q You might have seen him then before they were all pardoned out in July, 1898, he might have served his sentence out? A Yes sir.
- Q You don't know anything of your own personal knowledge of his residence since that time? A No sir.
- Q When was the last time you heard of him being down there in that vicinity? A Not very long before I heard of him being killed.
- Q Now when did you hear of his being killed, how long ago, how many years ago? A It has been a couple of years ago since I first heard of it. It hasn't been that long.
- Q Do you know Thomas P. Shaw, his half brother? A He had been killed a right smart bit before I heard of it. Yes sir, I know Tom Shaw.
- Q Now Thomas Shaw lives down in the same settlement in which this William Linn lived? A Yes sir, William Linn, after his mother and father died, made his home partially at Tom Shaw's I think.
- Q And Tom Shaw would have likely known something about this man's whereabouts? A Yes sir.
- Q Now he testified on October 4, 1902, that he hadn't seen this applicant, William Linn for more than two years, do you think he could have been in that vicinity there without Tom Shaw knowing it? A No sir, I don't think he could.
- Q He would have been likely to have known it? A He would have been pretty apt to have seen him because he would have been in and around there and stopped there.
- Q Then you wouldn't feel like testifying as to when he died? A No sir.
- Q You don't know how long he had been dead when you heard of it?
- A No sir.

ON BEHALF OF THE COMMISSIONER:

- Q What is the best information you can get as to the date of his death? A I haven't any, only heard that he was dead.
- Q Do you know whether he went by any other name besides William Linn? A He didn't here, not while he was in this country.
- Q Do you know about when he was killed, whether he went by the name of William Linn or not? A I think he did, that was my understanding. I don't know anything about him being dead only what I have heard.
- Q You heard he was killed in a gambling house in Oklahoma City?
- A Yes sir.
- Q Do you know the name of the house? A No sir.
- Q Do you know about the location? A No sir, never was there.

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes, and made application for the enrollment of William Linn as a citizen of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 4, 1902 and April 9, 1905 and at Muskogee, Indian Territory October 17, 1905. The records further show that said William Linn is identified on the Cherokee authenticated tribal roll of 1880, Flint District, NO 835; and on the Cherokee Census Roll of 1896, Page 1296, No. 19, Tahlequah, District, as William Lynn.

Since the application was received by the Commission to the Five Civilized Tribes for the enrollment of said William Linn as a citizen of the Cherokee Nation, the Commission and the Commissioner to the Five Civilized Tribes have diligently sought information which would enable them to determine whether or not said applicant was living September 1, 1902, and if so, whether or not he was entitled to enrollment on that date, but sufficient information has not been obtained tending to show the status of said William Linn, on September 1, 1902.

IT IS, THEREFORE, ORDERED: That the application for the enrollment of William Linn as a citizen by blood of the Cherokee Nation, be, and the same is, hereby dismissed.

Muskogee, Oklahoma.

Sir:

This office is in receipt of your letter of July 10, 1908, asking information relative to your right to enrollment as a citizen of the Cherokee Nation.

In reply you are advised the records show that on June 30, 1902, application was made for the enrollment of one William Linn, whose name is identified upon the Cherokee tribal rolls of 1880 and 1896. The evidence received in this case as to the identity of William Linn shows that he has a brother-in-law named Thomas P. Shaw and a cousin, Mark A. Bean, of Tahlequah, Oklahoma.

The Commission to the Five Civilized Tribes and this office could not obtain, prior to the closing of the Cherokee roll, sufficient information to determine whether or not this William Linn was living on September 1, 1902, and, if so, as to his right to enrollment as a Cherokee citizen. On February 28, 1907, the Commissioner issued an order dismissing the application of said William Linn.

The roll of Cherokee citizens was fully completed on March 4, 1907, after which date there has been no authority of law for the enrollment of any person as a citizen of the Cherokee Nation.

The postoffice address of one Columbus G. W. Linn, who appears to be a brother of this William Linn, is Manard, Oklahoma.

In the matter of the application for the enrollment of
Gid W. Morris, as a citizen by blood of the Cherokee Nation.

---: D E C I S I O N :---

It appears from the record herein that on June 30, 1902, Emmet Starr appeared before this Commission, at Muskogee, Indian Territory, and made application for the enrollment of Gid W. Morris, as a citizen by blood of the Cherokee Nation.

It appears from the evidence in this case that said applicant is a Cherokee by blood and is identified upon the 1880 Authenticated Cherokee Roll.

The evidence further shows that in about the year 1885 said applicant removed from the Cherokee Nation and did not return thereto up to and including September 1, 1902, and possesses no property located in the Cherokee Nation.

In view of the above facts it is considered that the said Gid W. Morris has forfeited his rights to citizenship in the Cherokee Nation under the provisions of Section II of Article I, of the Cherokee Constitution, which, in part, provides:

"When any citizen shall remove with his effects out of the limits of this Nation, and becomes a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease."

It is therefore the opinion of this Commission that the application made for the enrollment of Gid W. Morris, as a citizen by blood of the Cherokee Nation, should be denied under the provisions of Section 21 of the Act of Congress approved June 28, 1898, (30 Stats., 496), and it is so ordered.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ground Squirrel Nofire as a citizen of the Cherokee Nation.

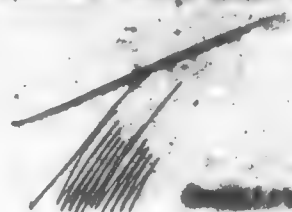

THE EVIDENCE IN THIS CASE SHOWS: That said Ground Squirrel Nofire is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1905, a published list containing the names of all persons included in these applications, who had not therefore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom the information could be secured prior to December 1, 1905, would be disregarded. Information has been obtained tending to show the status of Ground Squirrel No. 1.

It is understood that the application for the enrollment of Ground Squirrel No. 1, as a citizen of the Cherokee Nation, and the same is, hereby dismissed, without prejudice.

In the matter of the application for the enrollment of
Jinie Rat as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emma Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Jinie Rat as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Jinie Rat is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

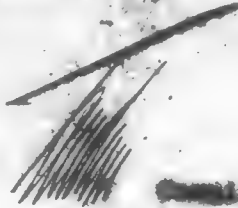

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrollin. party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information had been secured prior to December 1, 1905, would be discontinued as information has been obtained pending to show the status of Jinnie Rat.

on September 1, 1905.

It is respectfully requested that the application for the enrollment of Jinnie Rat as a citizen of the Cherokee Nation be, and the same be, hereby dismissed, without prejudice.

Commissioner.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Catherine Rainwater as a citizen of the Cherokee Nation.

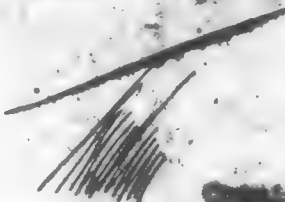

THE EVIDENCE IN THIS CASE SHOWS: That said Catherine Rainwater is identified on the Cherokee Authenticated roll of 1890 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrollment party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

The information has been obtained tending to show the status of Catherine Rainwater on September 1, 1905.

It is therefore concluded that the application for the enrollment of Catherine Rainwater is a citizen of the Cherokee Nation, and the same is hereby dismissed, without prejudice.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Ned Rainwater as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ned Rainwater as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Ned Rainwater is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1901, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 11, 1905, a published list containing the names of all persons included in these applications, who had not previously been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained regarding the status of

Red Rainwater

on September 1, 1905.

It is therefore ordered: That the application for the enrollment of Red Rainwater as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Give the date of the marriage under which you claim citizenship and the name of your Cherokee husband, and state whether you are still living with him.

If your Cherokee husband is dead, or if you are divorced, state whether you afterwards married a white man, giving his name and the date of such marriage.

If you desire to introduce evidence in support of the application made for your enrollment, please so state in your reply to this letter and if such evidence is considered necessary you will be notified when and where to appear before the Commission.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Eliza Roe as a citizen of the Cherokee Nation.

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Eliza Roe as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Eliza Roe is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

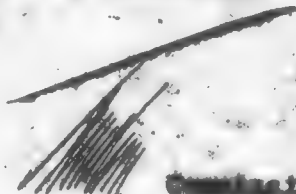

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session; each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 22, 1905, a statement was submitted containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. The information has been obtained tending to show the status of

Eliza Roe

on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Eliza Roe as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

George Riley as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of George Riley as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said George Riley is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1900, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information then could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of George Riley on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of George Riley as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Bettie Spears as a citizen by blood of the Cherokee Nation.

SUPPLEMENTAL STATEMENT.

An examination of the rolls of citizens of the Cherokee
Nation shows that the applicant herein, Bettie Spears, is not iden-
tified upon any other than the authenticated roll of 1880, which
enrollment has heretofore been cited in this case.

It is ordered that this statement be filed with and made a
part of the record in the matter of the enrollment of Bettie Spears

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
Bettie Spears as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Bettie Spears as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Bettie Spears is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On May 21, 1905, a pamphlet list containing the names of all persons entitled to Cherokee applications, who had not theretofore been enrolled, was issued in the form of a supplement to several pamphlets in general circulation in the Cherokee and Creek Nations, and it was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. The information has been obtained tending to show the status of

Bettie Spears

on September 1, 1905.

It is recommended that the application for the enrollment of Bettie Spears as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

John Simons as a citizen of the Cherokee Nation.

---:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of John Simons as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said John Simons is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 22, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to general newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be discontinued. Information has been obtained tending to show the status of John Simons on September 1, 1904.

IT IS THEREFORE ORDERED: That the application for the enrollment of John Simons as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Leo Welch as a citizen of the Cherokee Nation.

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Leo Welch as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Leo Welch is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1900, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the Applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of

Loo Welch

on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Loo Welch as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Dated at Muskogee, Indian Territory,

this DEC 27 1905

COPY,

Cherokee-D-1786-1787.

J. H. E. Welch,

Edna, Kansas.

Dear Sir:

Applications have been made to this Commission for the enrollment, as citizens of the Cherokee Nation, of E. A. Welch and Leo Welch, who, in 1900, are about 50 and 37 years of age, respectively. Their names appear upon the 1880 Cherokee Tribal Roll, First District. Perhaps they are members of your family.

If you know whether they are living, please inform the Commission of their present whereabouts, giving their post office addresses and such other information as you may have that will enable the Commission to take proper steps to ascertain their right to enrollment.

As this matter is very important, please give it your immediate attention.

Respectfully,

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ah-yunki Walker as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Ah-yunki Walker is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Ah-yumki Walker on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Ah-yumki Walker as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Dear Sir:

This office is in receipt of your letter of September 30, stating that in 1877 you married Susan D. Welch, a daughter of P. F. Coss, a citizen of the Cherokee Nation, and that you applied to the Dawes Commission in 1896 and was granted the right of citizenship. You state that your daughter has selected her allotment of land in the Cherokee Nation and ask to be advised if you will be entitled, "under the ruling of the government", to an allotment of land in that Nation.

In reply you are advised that no record can be found of any application made by you for your enrollment as a citizen of the Cherokee Nation. There does appear, however, to have been an application made to the Commission to the Five Civilized Tribes for the enrollment of one T. A. Williams, an intermarried white person whose name was identified on the 1880 roll of citizens of the Cherokee Nation, Flint district, as a citizen of the Cherokee Nation. The application for his enrollment was included in a general application for the enrollment of persons whose names appear, unaccounted for, on the rolls of 1880 and 1896.

As yet sufficient information to determine the right to enrollment of this person has not been secured. If this T. A. Williams is yourself, you are requested to so advise this office, and to advise whether or not your wife, Susan D., is living, and if not, whether you were married after her death, and if so, whether your last wife was a Cherokee citizen or a white woman and the date of your marriage to her.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
RACHEL L. WARD as a citizen by intermarriage of the Cherokee
Nation.

D E C I S I O N.

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, June 30, 1902, application was received by the Commission to the Five Civilized Tribes for the enrollment of Rachel L. Ward as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, October 19, 1905.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Rachel L. Ward, is a white woman and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as she may have acquired by virtue of her marriage to one George W. Ward, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation. It is further shown that in 1880 subsequent to said marriage the said Rachel L. Ward removed from the Cherokee Nation and remained without said nation for twenty-five years.

In view of the foregoing it is considered that the said Rachel L. Ward, by her removal from the Cherokee Nation and her continued absence therefrom, forfeited whatever right she may have acquired to enrollment as a citizen by intermarriage of the Cherokee Nation by virtue of her marriage to George W. Ward.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906, in the cases of Daniel Red Bird, et al, vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Rachel L. Ward, is not entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Commissioner.

Muskogee, Indian Territory, December 28, 1906.

Rachel L. Ward,
Whiting, Missouri.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your husband, by reason of your marriage to whom you claim the right to enrollment as a citizen by intermarriage of the Cherokee Nation, was a recognized Cherokee citizen at the time of your marriage to him.

You are, therefore, directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

Respectfully,

JMH

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ariley Abraham as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS THAT said Ariley Abraham is identified on the Cherokee authenticated roll of 1830 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1830 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and after removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications, the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not otherwise been accounted for, was found in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning which information could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of Ariley Abraham on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Ariley Abraham as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Taky Ah-nih as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Taky Ah-nih is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1886, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

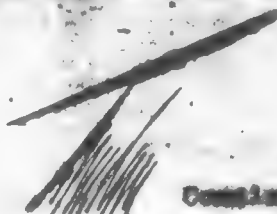

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. The information has been obtained tending to show the status of

Taky Ah-nih

on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Taky Ah-nih as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Eysell, J. W. Horn, David McDaniel, George Morgan, W. J. Wife Deemer (Cherokee 2-0048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cecley, Levi Hysell, J. W. Horn, David McDaniel, George Morgan, W. J. DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
George Chewey as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW; That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of George Chewey as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said George Chewey is identified on the Cherokee Census roll of 1896 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

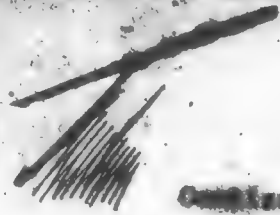

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 25, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a pamphlet to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 3, 1905, would be dismissed. Information has been obtained tending to show the status of

George Chevey

on September 1, 1905.

It is therefore ordered: That the application for the enrollment of George Chevey, as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Dear Sir:

There appears upon the 1880 authenticated roll of citizens of the Cherokee Nation the name of one Susan Bird, a female, aged at that time twenty-eight years. She appears with Lewis Bird, for whom application for enrollment was made by you at Kansas, Indian Territory, June 3, 1902. The testimony given by you on that date shows that Lewis Bird's present wife is Betsey Bird, while Susan Bird is apparently his first wife.

You are requested to advise the Commission whether or not the said Susan Bird is living, and, if so, to furnish her present name and post office address.

Respectfully,

Acting Chairman.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

Akie Besmer (Cherokee 2-3048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Lewis Clay as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Lewis Clay as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Lewis Clay is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1886, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to September 1, 1905, would be dismissed if information has been obtained pending to show the status of Lewis Clay on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Lewis Clay as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee 2-3048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Alice Dick as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said, Alice Dick is identified on the Cherokee Authenticated roll of 1890 as a Cherokee by blood.

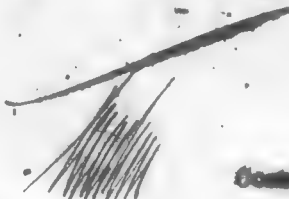

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrollment party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to November 1, 1905, would be dismissed. No information has been obtained tending to show the status of Alice Dick.

on September 1, 1905.

It is respectfully requested that the application for the enrollment of Alice Dick as a citizen of the Cherokee Nation be, and has been so, hereby dismissed, without prejudice.

Commissioner.

Akie Bommer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 3, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Hysall, J. W. Horn, David McDaniell, George Morgan, W. J. Akie Besser (Cherokee 2-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 3, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
John Harlen
as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of John Harlen as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said John Harlen is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

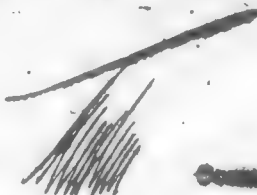

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1886, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 22, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to general newspaper in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. The information has been obtained tending to show the status of John Harlan

on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of John Harlan as a citizen of the Cherokee Nation be, and the same be, hereby dismissed, without prejudice.

Commissioner.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 3, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Akie Beamer (Cherokee 2-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Charlotte James as a citizen of the Cherokee Nation.

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Charlotte James as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Charlotte James is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1900, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterwards removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning them as Indians, should be received prior to December 1, 1905, could be dismissed on information that had been furnished showing the status of Charlotte Jones

on September 1, 1905.

IT IS HEREBY ORDERED: That the application for the enrollment of Charlotte Jones as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Akie Beamer (Cherokee D-2048) is also identified in the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

SUPPLEMENTAL STATEMENT.

An examination of the tribal rolls of citizens of the
Cherokee Nation shows that the applicant herein, Moses Toolie, is
not identified upon any other than the authenticated roll of 1880,
which enrollment has heretofore been cited in this case.

It is ordered that this statement be filed with and made a
part of the record in the matter of the enrollment of Moses Toolie

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Moses Toolie as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of ~~Moses~~ Toolie as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Moses Toolie is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1901, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to September 1, 1905, would be considered. Information has been obtained tending to show the status of

Noses Toolie

on September 1, 1905.

It is therefore shown: That the application for the enrollment of Noses Toolie, a citizen of the Cherokee Nation, and his son is, hereby dismissed, without prejudice.

Akio Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Eysell, J. W. Horn, David McDaniel, George Morgan, W. J. Arie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
as a citizen of the Cherokee Nation.
Wm. Thomas

O R D E R.

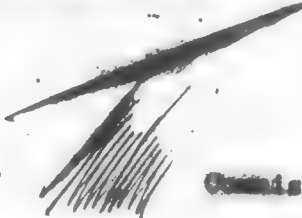

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of ^{Wm.} Thomas as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said ^{Wm.} Thomas is identified on the Cherokee Authenticated roll of 1880 as a citizen by intermarriage of the Cherokee Nation. The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1886, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1900, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1902, at Vinita, and afterwards removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of
Wm. Thomas
on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Wm. Thomas as a citizen of the Cherokee Nation be, and the same be, hereby dismissed, without prejudice.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of SARAH WALKER, now JUSTICE, as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW : That at Muskogee, Indian Territory, June 30, 1902 application was received by the Commission to the Five Civilized Tribes for the enrollment of Sarah Walker as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, August 26, 1902.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Sarah Justice, is a white woman and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as she may have acquired by virtue of her marriage to one Robert Walker, since deceased, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, opposite No. 1975 as a native Cherokee marked "Dead". It is further shown that subsequent to the death of said Robert Walker the said Sarah Walker was married to one Justice, a non-citizen of the Cherokee Nation; that said marriage was contracted prior to September 1, 1902.

In view of the foregoing it is considered that the said Sarah Justice, by reason of her marriage to a non-citizen of the Cherokee Nation, forfeited whatever right to citizenship wherein she may have acquired by virtue of her marriage to Robert Walker.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird, et al. vs the United States, Nos. 125, 126, 127 and 128, the said applicant, Sarah Justice is not entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898 (30 Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Adie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from the residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

In the matter of the application for the enrollment of
Ghoback Butler as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ghoback Butler as a citizen of the Cherokee Nation.

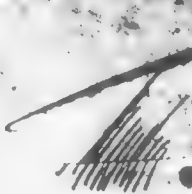

THE EVIDENCE IN THIS CASE SHOWS: That said Ghoback Butler is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tallesquah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tallesquah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 28, 1905, a published list containing the names of all persons included in these applications, who had not heretofore been accounted for, was issued in the form of a Supplement to General Orders No. 10, and was circulated in the Cherokee and Creek Nations, and notice was given that the applications for the removal of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be discontinued. Information has been obtained leading to show the status of Ghaback Butler as September 1, 1905.

It is submitted therefore that the application for the removal of Ghaback Butler as a citizen of the Cherokee Nation be, and the same is hereby suggested, without prejudice.

SUPPLEMENTAL STATEMENT.

An examination of the tribal rolls of citizens of the
Cherokee Nation shows that the applicants herein, John and Cherokee
Bush, are not identified upon any other than the authenticated roll
of 1880, which enrollments have heretofore been cited in this case.

It is ordered that this statement be filed with and made a

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
John Bush as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of John Bush as a citizen of the Cherokee Nation.

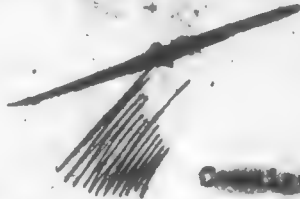

THE EVIDENCE IN THIS CASE SHOWS: That said John Bush is identified on the Cherokee Authenticated roll of 1890 as a citizen of the Cherokee Nation by adoption.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 22, 1905, a statement was received from the
of the persons included in these applications. Who had not
been accounted for, was found in the form of a supplement to
several newspapers in general circulation in the Cherokee and Creek
counties, and notice was given that the applications for the enrollment
of the persons named in said list concerning whom no information
could be secured prior to December 1, 1905, would be dismissed.
The information was then obtained calling to mind the status of
John Bush, as of September 1, 1905.

It is requested that the application for the
enrollment of John Bush, as a citizen of the

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,

THE EVIDENCE IN THIS CASE SHOWS: That said Mary
Bearpaw is identified on the Cherokee Authentic Roll of 1890

the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land Office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On June 22, 1905, a warrant was issued for the arrest of the person named in above application, who had not thereby been accounted for, was issued in the form of a duplicate of the original and in general circulation in the Indian and Creek Nations, and notice was given that the authorities for the removal of the persons named in said list would be informed if any could be secured prior to December 1, 1905, would be considered as information had been obtained leading to such the status of Mary Bearpaw as of December 1, 1905.

It is further ordered that the application for the removal of Mary Bearpaw as a citizen of the American Nation be, and the same is, hereby denied, without prejudice.

JH

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
John Balesridge as a citizen of the Cherokee Nation:

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, **Emmet Starr** appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of **John Balesridge** as a citizen of the Cherokee Nation.

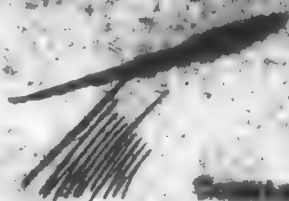

THE EVIDENCE IN THIS CASE SHOWS: That said **John Balesridge** is identified on the Cherokee ~~enrollment~~ roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tallahquash, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, had covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tallahquash, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 22, 1905, a warrant was returned on John
Baldridge, who has not theretofore
been accounted for, was issued in the form of a subpoena to
appear in general circulation in the Cherokee and Creek
tribes, and notice was given that the applications for the enrollment
of the persons named in said list concerning whom no information
could be secured prior to December 1, 1905, would be dismissed
if information was not obtained tending to show the status of
John Baldridge on September 1, 1904.

It is further ordered that the application for the
enrollment of John Baldridge as a citizen of the
Cherokee Nation be, and the same be, hereby dismissed, without
prejudice.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of Archibald
Big-water as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Archibald
Big-water is identified on the Cherokee Authenticated roll of 1880
as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

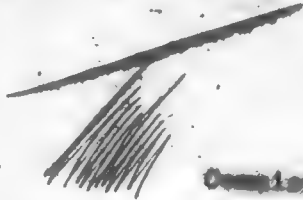

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the head office of the Cherokee Nation, during which time
the National Council of the Nation was in session, each and every
member of which, upon request, appeared before said office and
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Laid Office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 21, 1905, a printed list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to general newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning which no information could be secured prior to December 1, 1905, would be dismissed. Information has been obtained leading to the status of

Archibald Big-water

on September 1, 1905.

It is respectfully requested that the application for the enrollment of Archibald Big-water be a citizen of the Cherokee Nation, and the same be hereby dismissed, without prejudice.

Bolyn as a citizen of the Cherokee Nation.

Bolyn is identified on the Cherokee Authenticated roll of 1880

the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land Office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they are entitled to Cherokee citizenship on that
date.

On July 21, 1905, a published list containing the names of all persons included in these applications. The list was then printed and was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations. And notice was given that the applications for the removal of the persons named in said list concerning what he informed could be secured prior to December 1, 1905, would be furnished. Information has been obtained tending to show the status of

Akie Bessmer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Eysell, J. W. Horn, David McDuffel, George Morgan, W. J. DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Chee-wah-lee-ky Che-co-tah as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of Chee-wah-lee-ky
Che-co-tah as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Chee-wah-lee-ky
Che-co-tah is identified on the Cherokee ~~Authenticated~~ roll of 1880
as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land Office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
Central Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not therefore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Chee-wah-les-ky Che-co-tah on September 1, 1902.

It is therefore ordered: That the application for the enrollment of Chee-wah-les-ky Che-co-tah as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

O R D E R.

The record herein shows that on June 30, 1902 Emmet Starr appeared before the Commission, at Muskogee, Indian Territory and made application for the enrollment, as citizens by intermarriage of the Cherokee Nation, of the following names persons, whose names appear upon the Cherokee Tribal Rolls in the possession of the Commission, and for whose enrollment no previous application had been made: to-wit:

George W. Collins, William L. Morris, Martha Coody, John Thompson, Laura Thompson, Mary Ann Hood, and Margret Russell, whose names appear upon the authenticated tribal roll of 1880, and Sallie E. Jordan, Anna Miller, William H. Slack, James H. Wilkerson Parley L. Dutcher, Thomas Gregory, Mary J. An examination of the said Tribal Rolls shows that

all the applicants herein are intermarried white persons.

The Commission has made diligent inquiry, covering a period of about three years, to secure information relative to the status of the applicants, and, from the information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents from the Districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section twenty-five of the Act of Congress approved July 1, 1902 (32 Stat., 716) provides:

"The roll of citizens of the Cherokee Nation shall be made as of September 1, 1902, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of George W. Collins, William L. Morris, Martha Geedy, John Thompson, Laura Thompson, Mary Ann Reed, Margaret Russell, Sallie E. Before he died about 1880 all of his children, and he had a grown daughter, I don't know her name, grew up, married, and I come by his place one day about 16 years ago sometime along there, and he was there alone and I had a talk with him, he said he was alone and his children were married. Q He was born before the 1880 Roll was made? A Yes sir.
Q James Choate has been dead 16 or 18 years anyway? A Yes sir.

James Choate is identified on the 1880 Cherokee Tribal Roll, Illinois District, No. 523, and is listed for enrollment from information on Cherokee D-1921.

DEPARTMENT OF THE INTERIOR
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.
Muskogee, Indian Territory, June 14, 1906.

In the matter of the application for the enrollment
of KATE COON as a citizen of the Cherokee Nation.

For Applicant, Attorney, John G. Lieber
APPEARANCES:
For Cherokee Nation, W. W. Hastings.
JOHN OSKISON, being duly sworn, testified as follows:

By Mr. Hastings:

- Q. What is your name? A. John Oskison.
Q. What is your age? A. I am seventy years old.
Q. What is your postoffice? A. Vinita, Indian Territory
Q. How long have you lived in the vicinity of Vinita?
A. Well sir, I reckon right on to thirty years.
Q. Have you lived there continuously for the last thirty years?
A. No sir, I was gone five years during that time
Q. Where were you living in 1900, six years ago? A. Right there
in the neighborhood of Vinita.
Q. How far from Vinita? A. Four miles.
Q. In what direction? A. Northwest
Q. Have you a son by the same name? A. Yes sir,--he has a middle
name while I have none.
Q. But his name is John? A. Yes sir.
Q. Is there any other family in that vicinity by the same name
as yours? A. None that I know of.
Q. Did you ever know a woman by the name of Kate Coon? A. Yes sir
Q. Did she ever go by any other name? A. Yes sir, she went
by the name of Salsbury, she died by that name.
Q. She was first named Coon was she? A. Yes sir.
Q. And did she afterwards marry someone by the name of Salsbury?
A. Yes sir.
Q. Do you know whether or not she is alive? A. She is dead.
Q. Where did she die? A. She died at my house.
Q. Do you know who administered upon her estate, if it was ad-
ministered upon? A. I did
Q. You are the same person who administered upon her estate?
A. Yes sir.
Q. Do you know when she died? A. Not positively; some five
or six years ago, but as to the exact date I could not say
positively.
Q. But you are positive that it was five or six years ago?
A. It was as much as five years ago, I know.
Q. What I understand, then, is that you do not know the exact
day, but you do know that it was at least five years ago?
A. Yes sir, that is it

- Q. How long had she been dead at the time you administered upon her estate? A. I could not say exactly, but it must have been the biggest part of a year.
- Q. You are the same John Oskison that administered upon her estate? A. Why, I presume so; I do not know of any other, and I administered upon her estate.

I desire to offer in evidence a certified copy of application for administration by John Oskison upon the estate of Kate Salsbury, made on the second day of August, nineteen hundred, and also a certified copy of bond of administrator, of the same date, and also a certified copy of letters of administration dated August 2, 1900, issued to John Oskison upon the estate of Kate Salsbury.

MR. LIEBER: (After examining papers offered in evidence) :
I have no objection.

There being no objection to the introduction of the documents referred to, they will be filed.

- Q. Do you know whether or not this Kate Salsbury, formerly Coon, had any children? A. Yes, she had one boy, he went by the name of Coon, Burnett Coon.
- Q. Did he have any middle name? A. Not that I know of.
- Q. Do you know where Burnett Coon lives? A. I do not.
- Q. Of what did Kate Salsbury die? A. Supposed to have died of consumption.
- Q. Do you know what physician attended her? A. Dr. Clinkscales of Vinita.
- Q. This witness who is in the other room now? A. Yes sir.
- Q. On the second day of August, nineteen hundred, you stated in your sworn petition, that Kate Salsbury died in January, 1900, did you at that time give the correct date of her death? A. I certainly must have, but I cannot state now anything about that, but if I made that statement at that time it must have been true, because it was fresh in everybody's memory, and if I had made a mistake it would have been corrected.
- Q. Do you know a young man by the name of Ed Powell?
- A. I do not. Don't know that I ever did know him.
- Q. On May 24, 1906, he gave his age as about twenty-one, and his postoffice as Falls City, and also stated that he worked on your place in the summer of 1903 some eight or ten months.
- A. No sir, that is not correct; if he ever worked for me at all it must have been a very short time, because if he had ever worked for me I would have remembered him.
- Q. You do not remember him? A. I do not remember him at all; A young man of that kind might have dropped in and worked for me a few days and me not remember him, or remember his name but he could not work for me ten months or anything like that and me not remember him.
- Q. Do you know any one by the name of George Lewis, who, on the same date, gave his age as twenty-one or twenty-two?
- A. No, sir, I do not.

- Q. Ed Powell and some other witnesses corroborating, swear that Kate Coon died on yo ur place northwest of Vinita, on or about August 25 or 26, 1903, less than three years ago. Is that true? A. No sir, that is not true. While my memory is poor the reason I know these things, I broke up housekeeping not quite three years ago, and I know I did not break up housekeeping till several years after she died. So I know it must have been five or six years ago that she died.
- Q. Then you are positive as to that? A. Yes sir. I broke up housekeeping three years ago, nearly, and I know I did not break up till two or three years after she died.
- Q. About what aged woman was she? A. I couldn't tell you; I don't know.
- Q. Middle aged? A. Yes sir, I reckon it would be correct to say middle aged, she must have been 28 or 30 or more, I never asked her age. She had kept house for me a year or ~~more~~ some six years before she died.
- Q. Then she left you? A. yes sir
- Q. How long had she been living at your house when she died? A. Not over three or four weeks.
- Q. Now how long had she been gone from you from the time she kept house for you until she came back there and died? A. To the best of my recollection about six years. I was gone to Eureka springs, when she came to my house, I was gone to the Springs about three weeks, and to the best of my recollection she didn't last but about two weeks after I came home.

By Mr. Lieber:

- Q. Did you ever see her son? A. Yes sir, often.
- Q. He has been at your place there has he? A. Yes sir, while she was working for me he used to come quite often, sometimes every two or three weeks. He never stayed there permanently.
- Q. About what was his age? A. I should think at that time about thirteen or fourteen.
- Q. Do you know where he lived at that time? A. He was just drifting around in the neighborhood, had no permanent home.
- Q. Do you know where he stayed then? A. No sir, I couldn't say.
- Q. Do you know where Mrs. Salsbury came from when she came to your house? A. She had lived up there in that neighborhood quite a long time. Her and Coon moved up there, I think from Muskogee, and settled on a place there, and lived there until they separated. After that she lived there quite a while, and then came back down here to Muskogee, I think, and then she afterwards came back up there and lived awhile, and then she kept house for me a year or more.
- Q. You were a widower at that time? A. Yes sir.
- Q. You say her age was about thirty years? A. To the best of my knowledge.
- Q. Did you ever know of any other woman by the name of Kate Coon or Kate Salsbury? A No sir.
- Q. You don't know what the middle name of her son was? A. No, I don't know that I ever heard it.

- Q. Never heard her say anything about William Clark?

A. Not to my recollection now.

Q. Do you know who raised this woman, Mrs. Coon, or Salsbury?
A. No sir, I do not, but she was raised over here on Fourteen Mile Creek. I don't know who raised her, or whether she was an orphan or not.

Q. Did not you ever hear her talk about that?

Q. I have heard her talk about her childhood days, but I don't remember now what she said.

Q. Did you ever hear her say that Houston Benge raised her?

A. I have heard her speak of Houston Benge, and those other old settlers over there, but I don't remember as to that. I was well acquainted over there myself.

Q. Over where? A. On Fourteen Mile Creek, I lived there, and I lived down on Pecan Creek; I knew all those old settlers.

Q. Is that over near Fort Gibson? A. It is in that vicinity.

Q. Did you settle up this woman's estate? A. No sir, I turned it over to Mr. Hallum.

Q. Did this boy of hers ever come up and claim his share of her estate that you know of? A. Yes sir, he came up there sometime during the time that I was administrator-that was about the time I turned it over to Mr. Hallum, I don't know just how long afterwards it was. There was nothing of it only the land--the claim, there was no personal property.

Q. About when was it turned over to Mr. Hallum? A. It was I expect, about a year, I don't know just when.

Q. About how old was the boy at that time? A. He must have been about eighteen or nineteen, may have been twenty, somewhere along there.

Q. Do you know whether he was married or single? A. He was reported to be married; I never saw his wife.

Q. Where was he living? A. I don't know.

Q. You never heard him say? A. I may have heard him say at that time but I don't remember now, if he did. I don't think he ever had any permanent home.

Statement by Mr. Lieber:

Since hearing the testimony on behalf of the Cherokee nation, especially the certified copy of letters of administration granted by the Court at Vinita, I am convinced the proceedings on behalf of this applicant is so utterly tainted with perjury that I do not care to have anything further to do with the case. The Cherokee attorneys will, in my opinion, be derelict in their duty if they do not bring this record to the attention of the District Attorney.

I ask permission of the Commissioner to withdraw from this case.

COMMISSIONER:

The request of the Attorney for the applicant will be granted, and his name stricken as the attorney of record in the case.

The undersigned, being first duly sworn, states that as
Stenographer to the Commissioner to the Five Civilized Tribes

Cherokee D 1922----12

she correctly reported the proceedings had in the above entitled cause on the first above mentioned date, and that the foregoing is a full, true and correct transcript of her stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Kate Coon as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmaet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Kate Coon as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Kate Coon is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1900, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not yet been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of Kate Cook at September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of _____ as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Dear Sir:-

Referring to the application for the enrollment of Kate Coon as a citizen of the Cherokee Nation, which application was dismissed without prejudice December 27, 1905, you are advised that a son of Kate Coon recently appeared before this office with his attorney, John G. Lieber, Muskogee, Indian Territory, and stated that said Kate Coon died subsequent to September 1, 1902 and they were advised that they would be permitted to appear before the office of the Commissioner on Thursday, May 24, 1906, with witnesses and introduce such testimony as they desire tending to show the date of the death of Kate Coon, and what right, if any she possesses to enrollment as a citizen of the Cherokee Nation.

William M. Mellette,
U. S. Attorney, Western District,
Muskogee, Indian Territory.

Dear Sir:

There is enclosed a copy of the record of proceedings had in the matter of the application for the enrollment as a citizen of the Cherokee Nation of Kate Coon.

It appears from this record that B. L. Coon, of Claremore, Indian Territory, Ed Powell, of Falls City, Indian Territory, and George Lewis and William Clark of Fort Gibson, Indian Territory, conspired to have the name of Kate Coon unlawfully placed upon the roll of citizens of the Cherokee Nation, and the records show their evidence given before this office on May 24, 1906, to be a most flagrant case of perjury.

This matter is called to your attention at the suggestion of W. W. Hastings, attorney for the Cherokee Nation, and it is requested that you cause to be brought against these parties such criminal proceedings as are expedient.

William M. Mellette--2

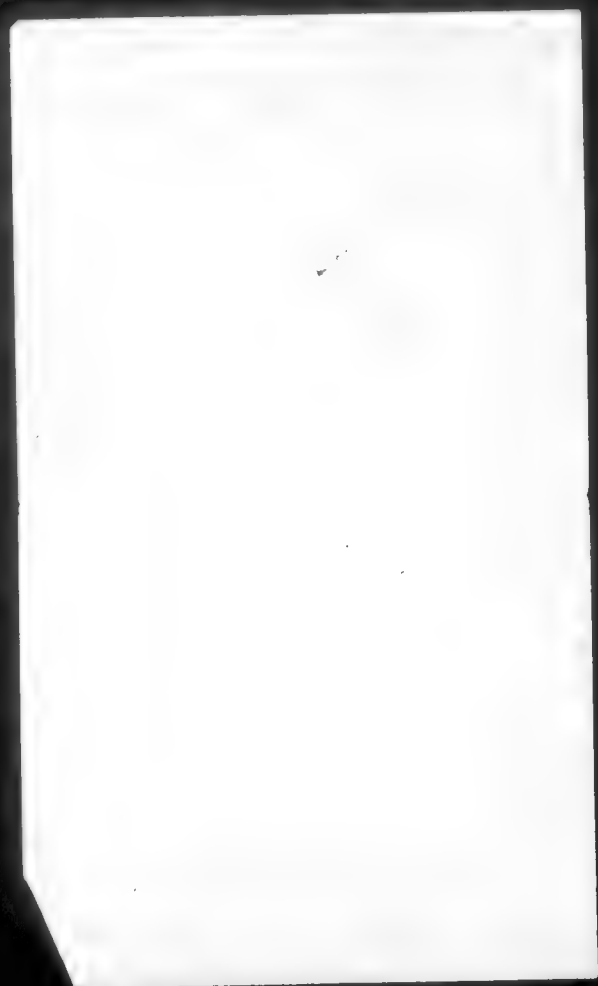

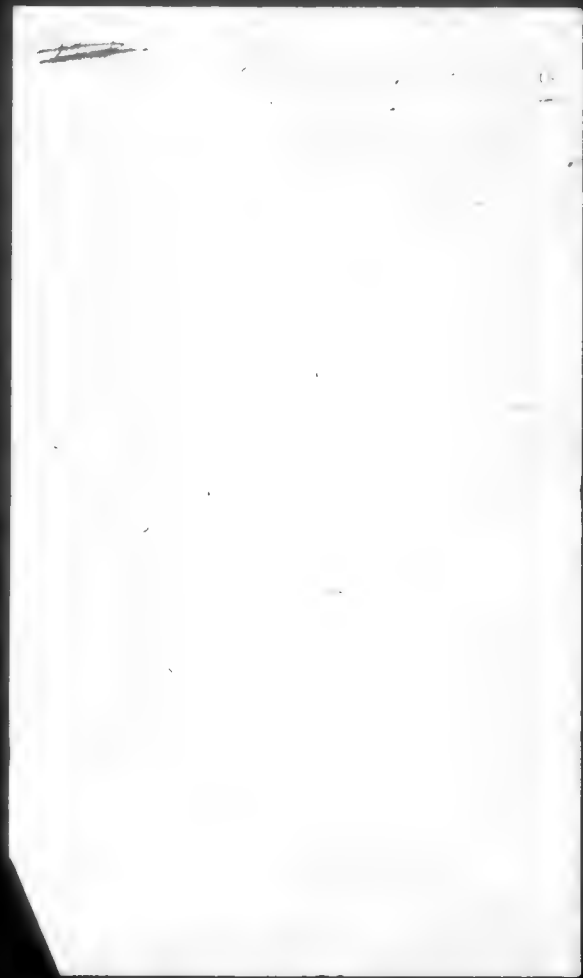

Mr. Hastings states that he will assist you in every way possible in the prosecution of these parties and he has this day been advised that the matter has been called to your attention.

Akie Beamer (Cherokee D-2042) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by one various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Russell, J. W. Horn, David McDaniel, George Mergan, W. J. ORDER OF DISMISSAL.

-:-

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment, as citizens of the Cherokee Nation, of the following named persons whose names appear on the Cherokee tribal rolls in the possession of the Commission, and for whose enrollment no previous application had been made, to-wit: Susie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson, Jr., Joseph Bird, Elizabeth Davis and Culah-takey Jones, whose names appear on the authenticated tribal roll of 1880, and for Josie Cramp, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Dukes, whose names appear on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that said applicants are of Indian nationality of either Cherokee or Shawnee blood.

It appears from letters on file in these cases, received in answer to inquiries by the Commission, that all of the above

named applicants died prior to September 1, 1902.

Section 26 of the Act of Congress approved July 1, 1902 (Public-No 241), and duly ratified as provided in Section 76 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the name of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of Susie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson Jr., Joseph Bird, Elizabeth Davis, Gulab-takey Jones, Jessie Crump, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Duke as citizens of the Cherokee Nation should be, and the same are hereby, dismissed.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Willie**
Ro-ter-ety as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Willie**
Ro-ter-ety is identified on the Cherokee authenticated roll
of 1890 as **a Cherokee by blood**

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Lusk, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1906, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1906, would be dismissed. No information has been obtained tending to show the status of Willie Re-ter-sty on September 1, 1906.

IT IS THEREFORE ORDERED: That the application for the enrollment of Willie Re-ter-sty as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Honet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of James
Guinera as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said James
Guinera of 1880 is identified on the Cherokee authenticated roll
as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1860 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of James Guimery on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of James Guimery as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

The record herein shows that on June 30, 1902, Elmer Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Sarah Fox, Jennie Jim and Eliza Fox as citizens of the Cherokee Nation.

The evidence shows that Sarah Fox is identified, by the name of Sarah Jim, on the 1880 authenticated Cherokee roll and by her present name, Sarah Fox, on the 1896 Cherokee census roll; that Jennie Jim is identified on said 1880 authenticated roll and, by the name of Jennie Miller, on said 1896 census roll; and that Eliza Fox is identified on said 1880 authenticated roll as Eliza Jim and on said 1896 census roll by her present name, Eliza Fox.

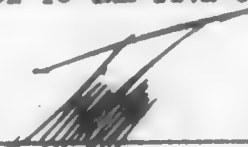

The record further shows that said Sarah Fox, Jennie Jim and Eliza Fox are enrolled on Creek Indian Card, Field Number 262 under the names of Sarah Fox, Jennie Miller and Eliza Fox respectively. It further appears that their names are included in a partial roll of Creek citizens by blood, approved by the Secretary of the Interior on March 13, 1902, and that they have received allotments of land in the Creek Nation.

Section 28 of the Act of Congress, approved July 1, 1902 (32 Stats. , 716), provides that,

"No person whose name appears upon a roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation."

It is, therefore, the opinion of this Commission that the applications for the enrollment of Sarah Fox, Jennie Jim and Eliza Fox as citizens of the Cherokee Nation should be denied, under the provisions of law above quoted, and it is so ordered.

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Sarah Fox, Jennie Jim and Eliza Fox as citizens of the Cherokee Nation.

The evidence shows that Sarah Fox is identified, by the name of Sarah Jim, on the 1880 authenticated Cherokee roll and by her present name Sarah Fox, on the 1896^{Cherokee} census roll; that Jennie Jim is identified on said 1880 authenticated roll and, by the name of Jennie Miller, on said 1896 census roll; and that Eliza Fox is identified on said 1880 authenticated roll as Eliza Jim and on said 1896 census roll by her present name, Eliza Fox.

The record further shows that said Sarah Fox, Jennie Jim and Eliza Fox are enrolled on Creek Indian Card, Field Number 802 under the names of Sarah Fox, Jennie Miller and Eliza Fox respectively. It further appears that their names are included in a partial roll of Creek citizens by blood, approved by the Secretary of the Interior on March 13, 1902, and that they have received allotments of land in the Creek Nation.

Section 28 of the act of Congress, approved July 1, 1901, (32 Stats., 716), provides that,

"No person whose name appears upon a roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation."

It is, therefore, the opinion of this Commission that the applications for the enrollment of Sarah Fox, Jennie Jim and Eliza Fox, as citizens of the Cherokee Nation should be denied, under the provisions of law above quoted, and it is so ordered.

Dear Sir:

The Commission is in receipt of your letter of February 14, 1903 (Cherokee D 1943), asking if Jennie Anderson has made application for the enrollment of herself as a citizen of the Creek Nation, and if so, what disposition has been made thereof.

Replying thereto, you are advised that Jennie Anderson is enrolled, under the name of Jennie Miller, as a citizen of the Creek Nation, on Creek Indian Card Field No. 862, Roll No. 2779, and that her enrollment as a citizen of said nation was approved by the Secretary of the Interior, March 13, 1902.

You are further advised that the said Jennie Miller made application for an allotment of land in the Creek Nation on July 16, 1901, and that an allotment of 160 acres of land in said nation was made to her by the Commission on said last named date, and that thereafter, on March 17, 1902, the said Jennie Miller selected for herself a homestead of 40 acres of land out of the allotment made to her, as aforesaid.

The records of this office show that the said Jennie Miller, whose post office address is Fort Gibson, Indian Territory, was 26 years of age, on September 27, 1899; that she is the daughter of Trig Jim Fox, deceased, a Cherokee citizen, and Sarah Fox, who is duly enrolled as a citizen of the Creek Nation. The father and mother of said Sarah Fox are both deceased; her father was Early Cordry, a Cherokee citizen, and her mother was Charlotte Cordry, a Creek citizen.

The records of this office also show that Jennie Miller had one child, by the name of William Anderson, who was born January 12, 1901, and died four days thereafter; that the name of his father is Amos Anderson, who is a citizen of the Cherokee Nation.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Leomen Johnson appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Leomen**
as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Leomen**
Johnson of 1890 is identified on the Cherokee authenticated roll
as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Tulsa, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1908, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1908, would be dismissed. No information has been obtained tending to show the status of Leemon Johnson on September 1, 1901.

IT IS THEREFORE ORDERED: That the application for the enrollment of Leemon Johnson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Walker Land on September 1, 1901.
